To Whom It May Concern:

Mr. Foster was the guest speaker at our convention and was very inspirational. He gave a presentation that included how important teamwork is in our everyday lives. His court reporting stories were humorous and very entertaining. His story of the young serviceman was very emotional. Everyone was impressed with Mr. Foster.

As President-Elect of the Maryland Court Reporters Association, I would highly recommend Mr. Foster as a motivational speaker for your function. He has many topics to discuss, and everyone will be touched in their own way.

Sincerely,

Kathy A. Zeve
President-Elect
